The Health of the President.

MEXICAN AFFAIRS.

Republican Armies still Large and Befiant—Jaures Gaining Ground.

civil and military authorities has arisen dria confirmed.

Charleston had demanded the surrender of the county jail from Gen. Bennett, post commandant, who returned a prompt refusal, stating that South Carolina is still under martial law, and that he will deliver up no property in his charge, until ordered to do so by his superior officer.

The military generally and the Union men of the State, what few of the latter there are, are indignant over the proclamation, and the attempts of the unadulterated secessionists to make use of it to regain their lost political positions. Many considered that Gev. Perry had exceeded his power, while others asserted that he was acting in accordance of the county fail from Gen. Bendown, July 29.—Consols 90½(590½ lilinois Control shares \$0.52(381, Erie 5½/4(554½). Illinois Central shares \$0.52(381, Erie 5½/4(554½). The steamer Costa Rica brings Panama.

NEW YORK, August 9.—The steamer Costa Rica brings Panama dates to the 31st ult.

The Monuchita Plavas, whose seizure by the Nicarangua government was announced by the last arrival, has been confiscated partly on account of her confiscated partl ed that he was acting in accordance and piratical cruise.

with the President's instructions. In to her being en and piratical cruise. There is consideral

Gen. Gilmore has started on an expedition into the interior and is expected to proceed as far as Columbia and have to proceed as far as Columbia and have an inierview with the Governor. It is said that the General has recommended to the Way Department the retention of to the War Department the retention of son named Rivas. No cause is a considerable military force in the ed. State for sometime yet.

It is believed that the State Conven-

The Herald's City of Mexico correspondent of the 21st uit., says: The Imperialists there were congratulating themselves on the fancied bright prospects of the Empire, and their expectatations of its early recognition by the U. S., for the purpose of securing which latter desideratum, it was reported that Gen. Almatte was preparing for a trip.

Man Legarte Ceubrand, in connection with the fire and destruction of females in Santiago, made a speech on the subject to two hundred Senoritas, and so extend them that the whole crown of women rushed to the Congress screaming. "Death to the Heretic," "live on, holy religion." &c.

A fire at Valparaiso on the 25th of Gen. Almatte was preparing for a trip to Washington, but the correspondent describes the present condition of the hold undisputed possession of a great portion of the territory of the country, while the guerrina oscillarity infinite nearly every section still giving infinite annoyance to the Imperial troops, and the friends of Juarez are said to be while the guerrilla bands roam through the friends of Juarez are gaining ground everywhere.

The Health of the President-Statement of Counterfeit 5's on the Na-dor. tional Bank Untrue-Internal Reve- quelled for the present. nue Reccipts-The F. F. V.'s do not Appreciate the Workings of Freedmen's Bureau.

Special to the Times,

The report that one dollar Government notes are counterfeited is discred-

ited at the Treasury Department.

The receipts of internal revenue yes terday were over one and a quarter millions. The Treasury has sufficient funds in vault to pay all indebtedness

WASHINGTON Banner Beauth of the river. One passenger was killed and twelve or fifteen others injured; none seriously.

Herald says: The action of the officers of the Freedmen's bureau in this locality, un-WE HAVE JUST RECEIVED OUR der instructions from the chief of bureau at Washington, is somewhat dis-

tasteful to the First Families of the the Old Dominion, who have yet to learn to appreciate the great change of the labor

complaint against the aristocratic whites, and sustain it by the testimony of their own color, appears to be something not thought of until brought to the scrutiny of these charged with the protection of the rights of the freedmen. The burean here is now almost daily engaged in solving the enigma of the former lordly whites and the always lowly negro. Numerous cases of arguments to pay a reasonable compensation, after the fall of Richmond, to these contrabands for field service or farm labor in this country, have arises. Everywhere, after the crop has been made, they have been driven away with the assertion and its attempted enforcement, "We can't keep your any longer; you are now free; go, and take a least of the more came of yourselves." Here the officers of the Brosson. with the assertion and its attempted enforcement, "We can't keep you any longer; you are now free; go, and take care of yourselves." Here the officers of the Bureau interfere and see that equity prevalls. This is no fable but its moral is on its face.

The city is unusually quiet.

The Mexicas "Empire" not a Distinting the acts of the military anthonities with that freedom allowed when civil law is in full operation.
